**Subject:** RE: FW: Draft JD Letter - Climax Molybdenum I showed Donna the draft letter and we both agree it looks great. She didnt have any true concern just an observation that points (1) and (2) seem as if they should be sub items of the same general point or alternatively that the opening sentence of point (1) should be added to point (2). Hope this is helpful,

As you know I was away last week so Ive just seen your email

Did you suggest any changes to the letter? I though it was written quite well. Do you know if she will still accept changes later today? If so Ill ask Donna to go over the draft letter with her lawyer eyes.

Thanks,

Hadas

**Subject:** FW: FW: Draft JD Letter - Climax Molybdenum FYI, hopefully you get this note. It looks like in the global directory they dropped a space/hyphen. You might want to get that fixed.
